Hi Sarah

Just wanted to say the night was fantastic – everything was really well organised, the food was delicious and the amount was spot on; the girls serving both at the bar and the food were very efficient and lovely! We had a great night, Josh really enjoyed himself and we received many comments from friends stating that they didn't know the Indi was so nice! And they have lived in Mindarie/Clarkson for years! So there you go! Thanks for all your help.
