Hi Sarah

Just wanted to thank you and your team for a great night. You all were wonderful, you all worked very hard and we were very appreciative. The food was great, the venue was great, atmosphere great and you all contributed to a well run supa night.

Many thanks again. We will all be back at different times and will highly recommend to all.

Hi Sarah

Just wanted to say the night was fantastic – everything was really well organised, the food was delicious and the amount was spot on; the girls serving both at the bar and the food were very efficient and lovely! We had a great night, Josh really enjoyed himself and we received many comments from friends stating that they didn't know the Indi was so nice! And they have lived in Mindarie/Clarkson for years! So there you go! Thanks for all your help.
